INTRODUCTION

Danzab Recordings, Registration no: 2011/085559/23 is a well-equipped and multifaceted company which is rapidly making its mark in the South African business industry. Danzab offers a wide variety of Audio Visual products and services to suit your personal and business needs.

VISION

To be the number one sought after and utilized recording and transcription company within Sub-Saharan Africa

MISSION

To provide accurate ,high quality recording and transcription and audio visual services with excellence and efficiency to various business sectors within Sub-Saharan Africa as well as abroad while maintaining confidentiality and reliability at all times and also to finance the expansion of the gospel of Jesus Christ throughout the world.

BACKGROUND

The owner and managing director of the company, Mr Darren Booysen, has more than 18 years' experience in the audio visual industry, having received awards for professionalism and quality of service.

At the beginning of his working career he was employed by a well reputed audio visual company. Based at the Hyatt Regency Hotel, he managed their audio visual department for the last year of his tenure. He has also serviced a variety of corporate, medical, governmental and engineering companies doing work such as supplying, setting up and running of public address systems, mics, screens, projectors, audio & video recordings, tele & video conferencing, staging, lighting, band set ups etc, as well as operating from different venues which include: The Sandton Convention Centre, Sun City, Ratanga Junction and a host of other conferencing venues in the country.

He then went on to work at a Recording and Transcription company, specializing in digital and analogue voice recordings of meetings and legal matters and supplying the clients with cd's and transcripts of the relevant recordings. During his tenure there he serviced recognised companies such as: The Premier Soccer League, Lonmin Mines, The Development Bank of SA and various government departments and law firms. He then did a short stint as a consultant to various audio visual and recording companies. He also utilized this time to compile a portfolio of companies and affiliates which later led to the birth of Danzab Recordings.
